To: IMO Member States

Subject: Position in the IMO Junior Professional Officer programme

1 The Secretary-General of the International Maritime Organization has the honour to announce a position for a Junior Professional Officer (JPO).

2 The IMO Junior Professional Officer (JPO) programme is a voluntary programme under which Member States sponsor the secondment of young professionals from their country to work at IMO. The secondment is for a period of two or up to three years. JPOs are engaged at the P.2 level and are assigned substantive work while serving at IMO, in addition to receiving on-the-job training and familiarization.

3 Selection of candidates for a place on the programme is on a competitive basis. Selected JPOs would be expected to take up their assignment following a successful recruitment process.

4 Member States willing to participate in the programme are encouraged to nominate a maximum of three applicants per JPO position (see annex for details). Applications received directly from candidates will not be accepted: only nominations submitted through the respective sponsoring Member State will be considered. Nominations from sponsoring Member States should be accompanied by a nomination letter and contain a covering letter from the candidate as well as an IMO Personal History form. Nominations from sponsoring Member States should reach the Organization no later than 15 April 2024.

5 Nominated candidates participating in the programme should note that there is no expectation of conversion to, or engagement in, a permanent position in the Organization after completion of the period of the JPO assignment.

6 In nominating candidates for a position in the programme, the sponsoring Member States agrees to bear the responsibility of all costs related to the JPO. The JPO programme is independent from, and JPO posts are additional to, the posts financed by the Organization’s regular budget. The terms of engagement of nominated JPOs are agreed through the signing of a Memorandum of Understanding confirming, inter alia, the sponsoring Member State’s commitment to cover all JPO related costs directly or through IMO. All costs must be paid in advance to IMO, before the JPO joins the Organization, so that it is not compromised financially.
In accordance with a standard Memorandum of Understanding, salaries, benefits, travel costs, etc., of a JPO may be paid using one of two modalities: directly to the JPO by the sponsoring Member State under the modality of "Gratis Personnel", or through the Organization on the basis of a yearly reimbursement by the sponsoring Member State as "Reimbursement through IMO"

Under the modality of “Reimbursement through IMO” a yearly contribution from the sponsoring Member State to offset the Organization's administrative support costs (normally 12% on the sum expended) will be levied.

Under the modality of “Gratis Personnel”, a target annual support cost charge of US$10,000 will be sought, however an alternative contribution to the Organization's costs may be made, in cash or in kind, on the basis of an agreement between the Organization and the nominating Member State.

In the case of a nomination of “Gratis Personnel” by a developing country, the administrative support cost of US$10,000 per annum may be charged to an appropriate technical cooperation regional capacity-building budget.

All nominations should be sent by email by the sponsoring Member State quoting in the subject line the specific JPO position number. All nominations should be sent to: rsd@imo.org.
