

REQUEST FOR PROPOSAL

Report and Training package on dry-dock operations for biofouling prevention and management.

1. The International Maritime Organization (IMO) seeks proposals from qualified companies for the provision of a report with recommendations for dry-dock operations in relation to biofouling prevention and management on ships, and an associated training package, in accordance with the requirements, terms and conditions stipulated herein.

2. This Request for Proposal (RFP) consists of this document and the following annexes:

Annex A: Instruction to Bidders

Annex B: IMO General Contract Conditions-Services

<https://www.imo.org/en/About/Procurement/Pages/Key-Documents.aspx>

Annex C: RFP10028395 - Terms of Reference

Annex D: RFP10028395 - Pricing Response Form

Annex E: Vendor Registration Form -

<https://www.imo.org/en/About/Procurement/Pages/Vendor-registration.aspx>

3. In submitting a proposal, the bidder accepts in full and without restriction the requirements of this RFP including the Terms of Reference and the IMO General Conditions Services as the sole basis of this tender process, and waives his own conditions of sale, whatever they may be. Bidders are requested to include any deviation from the IMO Terms and Conditions, as per Annex B, in their proposal. Bidders should note they will not be permitted to submit this information at the Contract Award stage.

4. Proposals must be received by the IMO no later than **Monday, 4 December, 12:00 hours noon (UK time)**. Proposals received after the designated time will be automatically rejected. Proposals are to be transmitted online via the IMO procurement portal, using the unique link in the invitation email, stating the RFP reference in the subject line. Submission of proposals by other means is not accepted.

To receive the complete RFP10028395 documentation interested bidders are advised to contact procurement@imo.org – with SUBJECT title: Request for Proposal - RFP10028395.
