

REQUEST FOR PROPOSAL

Study to compare water quality before and after an in-water cleaning event, based on an analysis of key parameters

1. The International Maritime Organization (IMO) seeks proposals from qualified companies for the provision of services related to collection of samples and analysis of water quality before and after in-water cleaning of ships' hulls, in accordance with the requirements, terms and conditions stipulated herein.
2. This Request for Proposal (RFP) consists of this document and the following annexes:
 - Annex A: Instruction to Bidders
 - Annex B: IMO General Contract Conditions-Services
<https://www.imo.org/en/About/Procurement/Pages/Key-Documents.aspx>
 - Annex C: RFP 10028926 - Terms of Reference
 - Annex D: RFP 10028926 - Pricing Response Form
 - Annex E: Vendor Registration Form -
<https://www.imo.org/en/About/Procurement/Pages/Vendor-registration.aspx>
3. In submitting a proposal, the bidder accepts in full and without restriction the requirements of this RFP including the Terms of Reference and the IMO General Conditions Services as the sole basis of this tender process, and waives his own conditions of sale, whatever they may be. Bidders are requested to include any deviation from the IMO Terms and Conditions, as per Annex B, in their proposal. Bidders should note they will not be permitted to submit this information at the Contract Award stage.
4. Proposals must be received by the IMO no later than **29 February 2024, 12:00 hours noon (UK time)**. Proposals received after the designated time will be automatically rejected. Proposals are to be transmitted online via the IMO procurement portal, using the unique link in the invitation email, stating the RFP reference in the subject line. Submission of proposals by other means is not accepted.

To receive the complete RFP10028926 documentation interested bidders are advised to contact procurement@imo.org – with SUBJECT title: Request for Proposal - RFP10028926.
