INTERNATIONAL CONFERENCE ON
MARINE POLLUTION, 1973
Agenda item 7

CONSIDERATION OF A DRAFT INTERNATIONAL CONVENTION FOR THE PREVENTION OF POLLUTION FROM SHIPS, 1973

Proposed amendment to Article 21

Languages

Submitted by Italy

The Italian delegation suggests that the words "and Italian" be inserted between "Russian, Japanese, Arabic and German" and "languages".

Article 21 would then read as follows:

"Official translations in the Russian, Japanese, Arabic, German and Italian languages shall be prepared and deposited with the signed original."
