Article 11

Communication of Information

(1) The Contracting States undertake to communicate to the Organization:

(a) the text of laws, orders, decrees and regulations and other instruments which have been promulgated on the various matters within the scope of the present Convention;

(b) a list of non-governmental agencies which are authorized to act on their behalf in matters relating to the design, construction and equipment of ships carrying harmful substances in accordance with the provisions of the Regulations;

(c) a sufficient number of specimens of their certificates issued under the provisions of the Regulations;

(d) a list of reception facilities including their location, capacity and available facilities and other characteristics;

(e) official reports or summaries of official reports insofar as they show the results of the application of the present Convention;

(f) an annual statistical report, in a form standardized by the Organization, of penalties actually imposed for infringement of the present Convention, and
(g) a duly documented justification for the adoption of any special measures taken in accordance with Article 8(3).

(2) The Organization shall notify Contracting States of the receipt of any communications under this Article and circulate to all Contracting States any information communicated to it under sub-paragraphs 1(b) to (g) of this Article.
