

INTERNATIONAL CONFERENCE ON
SAFETY OF LIFE AT SEA, 1974
Committee II
Agenda item 3

IMCO

CONSIDERATION OF ANY DRAFT RESOLUTIONS
OF THE CONFERENCE RELATING TO REGULATIONS
OF THE INTERNATIONAL CONVENTION FOR THE
SAFETY OF LIFE AT SEA 1974

Note by the Secretariat

The following is suggested for inclusion in the Committee's Report to the Conference:

"The Conference, having reviewed briefly the Recommendations of the 1960 Conference:

- invites the attention of the Contracting Governments to those Recommendations, which are still valid;
- recommends that studies, within the Organization or in co-operation with others concerned, should continue on those Recommendations which have been only partly acted upon so far; account should be taken of modifications necessary to reflect the developments which have taken place since the 1960 Conference;

The Conference further recommends that Contracting Governments, when implementing the Convention on Safety of Life at Sea, should take account of all relevant Resolutions adopted by the Assembly of the Organization, particularly of those which explain, supplement or enlarge upon the technical provisions of the Convention."
