Agenda item 23

RESOLUTION A.592(14)
adopted on 20 November 1985

BUDGET FOR 1985

THE ASSEMBLY,

RECALLING resolution A.555(13) by which the Assembly at its thirteenth session voted appropriations for the financial period 1984-1985,

NOTING Council resolution C.(67)53 which, as authorized by paragraph 4 of resolution A.555(13), approved a recalculation of the appropriation for 1985,

NOTING ALSO that expenditure in 1985 may exceed the appropriation by a small margin but that the final outcome is still uncertain,

NOTING FURTHER that excess miscellaneous income is however likely to arise and be sufficient to cover any excess of expenditure,

TAKING INTO ACCOUNT IMO financial regulation 13.2,

APPROVES the use of excess miscellaneous income to finance any excess of expenditure in 1985 over appropriations.
