PROFESSIONAL SALARY SCALES

RESOLUTION C.26(XIV)
adopted on 18 June 1965

THE COUNCIL,

TAKING NOTE of the Secretary-General's information as regards possible action by the United Nations General Assembly on the professional salary scales,

CONSIDERING Article X of the Agreement on Relationship between the United Nations and the Inter-Governmental Maritime Consultative Organization,

CONSIDERING FURTHER that the United Nations General Assembly may introduce new professional salary scales before the first session of the Council in 1966,

DECIDES that, should the United Nations General Assembly adopt before that session new professional salary scales, staff assessment and post adjustment scales, the Secretary-General is authorized to put into effect the same scales for salaries, periodicity of within-grade salary increments, staff assessment and post adjustment for IMCO's staff as from the same date that the United Nations General Assembly puts these scales into effect,

DECIDES FURTHER that, with reference to Annex I, paragraph 2, of the Staff Regulations, which now reads as follows:

- 2 -

COUNCIL XIV/Res.26

"The salary of the Secretary of the Maritime Safety Committee shall be \$18,960 gross, \$13,660 net, per annum", the Secretary-General is authorized to establish a new salary for this post, the amount to be fixed at a step in the new D-1 salary scale equivalent to the salary which a UN staff member presently earning \$13,660 net would earn in the new salary scale, or at the nearest higher step in the new D-1 salary scale if there is no exact equivalent,

REQUESTS the Secretary-General to report to the first session of the Council in 1966 such action, if any, as he may take under the terms of this resolution to ensure that IMCO's provisions on salaries and related allowances follow the common scheme of the United Nations and the specialized agencies.
