COUNCIL - 20th session
Agenda item 8

REVIEW OF THE ORGANIZATION'S WORK

RESOLUTION C.41(XX)
adopted on 17 May 1968

THE COUNCIL,

RELATIVE to the task entrusted to it by Resolution A.142(V),
HAVING GIVEN preliminary consideration to the problems
involved,

RECOGNIZING the valuable work already accomplished by the
Organization,

CONSIDERING that the methods of work of the Organization
and the total financial burden falling upon Member States is
directly related to the scope of the Organization's work,

DECIDES as a first step to establish a working group with
the duty of preparing, taking into account the views expressed
in the Council at its twentieth session and any other views in
this respect which may be presented to the Organization by its
Members,

- (a) a draft statement of the present objectives
of the Organization in such form as would be
suitable as a basis for considering appropriate
work methods for the future;

- 2 -

C XX/Res.41

- (b) an inventory of such further objectives which the Organization could usefully fulfil in the field of international maritime transport,

ALSO DECIDES that the composition of the working group shall be as follows:

Representatives of Brazil,
Canada,
Federal Republic of Germany,
France,
Netherlands,
Norway,
Union of the Soviet Socialist
Republics,
United Arab Republic,
United Kingdom,
United States of America

together with the Chairman of the Maritime Safety Committee and the Chairman of the Legal Committee,

FURTHER DECIDES that the working group so established shall report to the next session of the Council.
