10 October 2022

To: All IMO Members
United Nations and specialized agencies
Intergovernmental organizations
Non-governmental organizations in consultative status with IMO

Subject: **Postponement of the Workshop on the 2010 HNS Convention
(new dates: 3 and 4 April 2023)**

1 In furtherance to the invitation provided in Circular Letter No.4620, the purpose of this circular is to inform delegations and other attendees of the postponement of the Workshop on the 2010 HNS Convention which was initially scheduled to take place from 31 October until 1 November 2022.

2 The Secretary-General has the honour to invite representation at the resumed workshop on the 2010 HNS Convention, which has been rescheduled to take place from 9.30 on **Monday, 3 April 2023 until Tuesday, 4 April 2023**.

3 The workshop will be conducted in person and in hybrid format at IMO Headquarters, 4 Albert Embankment, London SE1 7SR.

4 The workshop is being held following the approval by the Legal Committee, at its 109th session, of the proposal submitted by the delegation of Canada to organize, in cooperation with the Secretariats of IMO and the International Oil Pollution Compensation Funds (IOPC Funds), a follow-up workshop to the HNS workshop held in 2018, in order to assist Member States in their work towards further ratifications of the 2010 HNS Protocol.

5 The Assembly, at its thirtieth session, adopted resolution A.1123(30), urging all States to work together towards the implementation and entry into force of the 2010 HNS Protocol and encouraging States to work with industry to assist in the implementation process. It is expected that the workshop will be of interest to representatives of States considering ratifying the 2010 HNS Protocol and participation will be open to all Member Governments, IGOs and NGOs in consultative status with IMO which have pertinent expertise. Participation by policy- and decision-makers with respect to the ratification of the 2010 HNS Protocol is particularly encouraged.

6 To best facilitate Member State participation, the workshop will be held the week directly following the meeting of the 110th session of the Legal Committee (26 to 31 March 2023).

Draft programme

7 The revised programme and the provisional timetable for the workshop are attached. The workshop will be held in PaperSmart mode, as far as practicable, and will be conducted in English, French and Spanish. Presentations will be posted on both IMODOCS and the HNS Convention website.

Registration

8 Member Governments, IGOs and NGOs are required to provide, prior to the workshop date, the names of their representatives, including Permanent Representatives, heads of delegations, alternates, advisers or observers, via the Online Meeting Registration System (OMRS), as advised in Circular Letter No.4336 of 5 November 2020.

9 Any matters relating to the use of the OMRS should be communicated to:

11 Delegates are advised that the Registration Desk will be open **from 7.30 a.m. on Monday, 3 April 2023**, when early arrival would be appreciated.

Procedure governing IMO support for visa applications

12 As established in article 7.2 of part III on Access and communications of the Headquarters agreement, delegates are entitled to have their entry into the United Kingdom authorized without delay and without charge.
