

IMO WORLD MARITIME DAY THEME 2026-2027

# FROM POLICY TO PRACTICE

## POWERING MARITIME EXCELLENCE

### Preparing crews for Liquefied Natural Gas (LNG) fuelled ships.

Seafarer trainers from Indonesia, the Philippines and Viet Nam strengthen their expertise in preparing crews for LNG-fuelled ships, during a practical workshop in Japan.

**The STCW Convention**  
ensures all seafarers are  
trained to international  
standards.

IMO POLICY IN ACTION

## MARITIME SAFETY

**Safer ships. Safer ports.**  
**Safer seafarers.** IMO assists  
countries to put safety regulations  
into practice.
