

IMO WORLD MARITIME DAY THEME 2026-2027

FROM POLICY TO PRACTICE

POWERING MARITIME EXCELLENCE

IMO POLICY IN ACTION

Acquiring skills to draft national legislation in order to implement IMO conventions.

International students at the IMO International Maritime Law Institute in Malta acquire skills to draft national maritime legislation, covering treaties on the environment (MARPOL) and safety (SOLAS and COLREGs).

LEGAL SUPPORT

IMO conventions are implemented through national legislation - a process supported by IMO legal experts.
