Duration of the standard programme: 14 months

Entry requirements: A candidate should:

- be established in a career in the maritime field
- hold:
 - a Bachelor's degree, or
 - the highest grade certificate of competency for unrestricted service as master mariner or chief engineer, or equivalent maritime qualification and have substantial, directly relevant professional experience
- have competence in English language, demonstrated by an internationally recognised standard test
- have computer competence (at least the ability to use Microsoft Office)

Application procedure:

- All candidates must apply online
- Applications can be submitted at any time; there are no cut-off dates

Fees and living costs:

- The fee for entrants to the Class of 2025 is USD 28,600
- Living costs – at least SEK 12,000 (that is around 1,100 USD) per month

Financial support:

- One third of students are funded by their own companies, governments or national funding agencies
- Fellowships are available

Fellowships / Scholarships

Procedure of applying for fellowships:

- The application for donor funding must be made by **an employer** of the prospective student, who completes the Application for Financial Support form, available on the WMU website
- To be considered for certain donor fellowships, applicants must complete additional **motivational statements** to be submitted together with their applications
- Some donors have **established criteria** that are used when considering applicants

Highly competitive!

At least six well-qualified applicants for each fellowship.

Support to Member States

Highly qualified graduates of programmes and courses (both degree & non-degree)

Executive and Professional Development Courses (EPDCs)

Solutions-focused and policy-relevant maritime and oceans research

Solutions-focused and policy-relevant consultancy services

EPDCs designed specifically for your needs

IMO Technical Cooperation activities

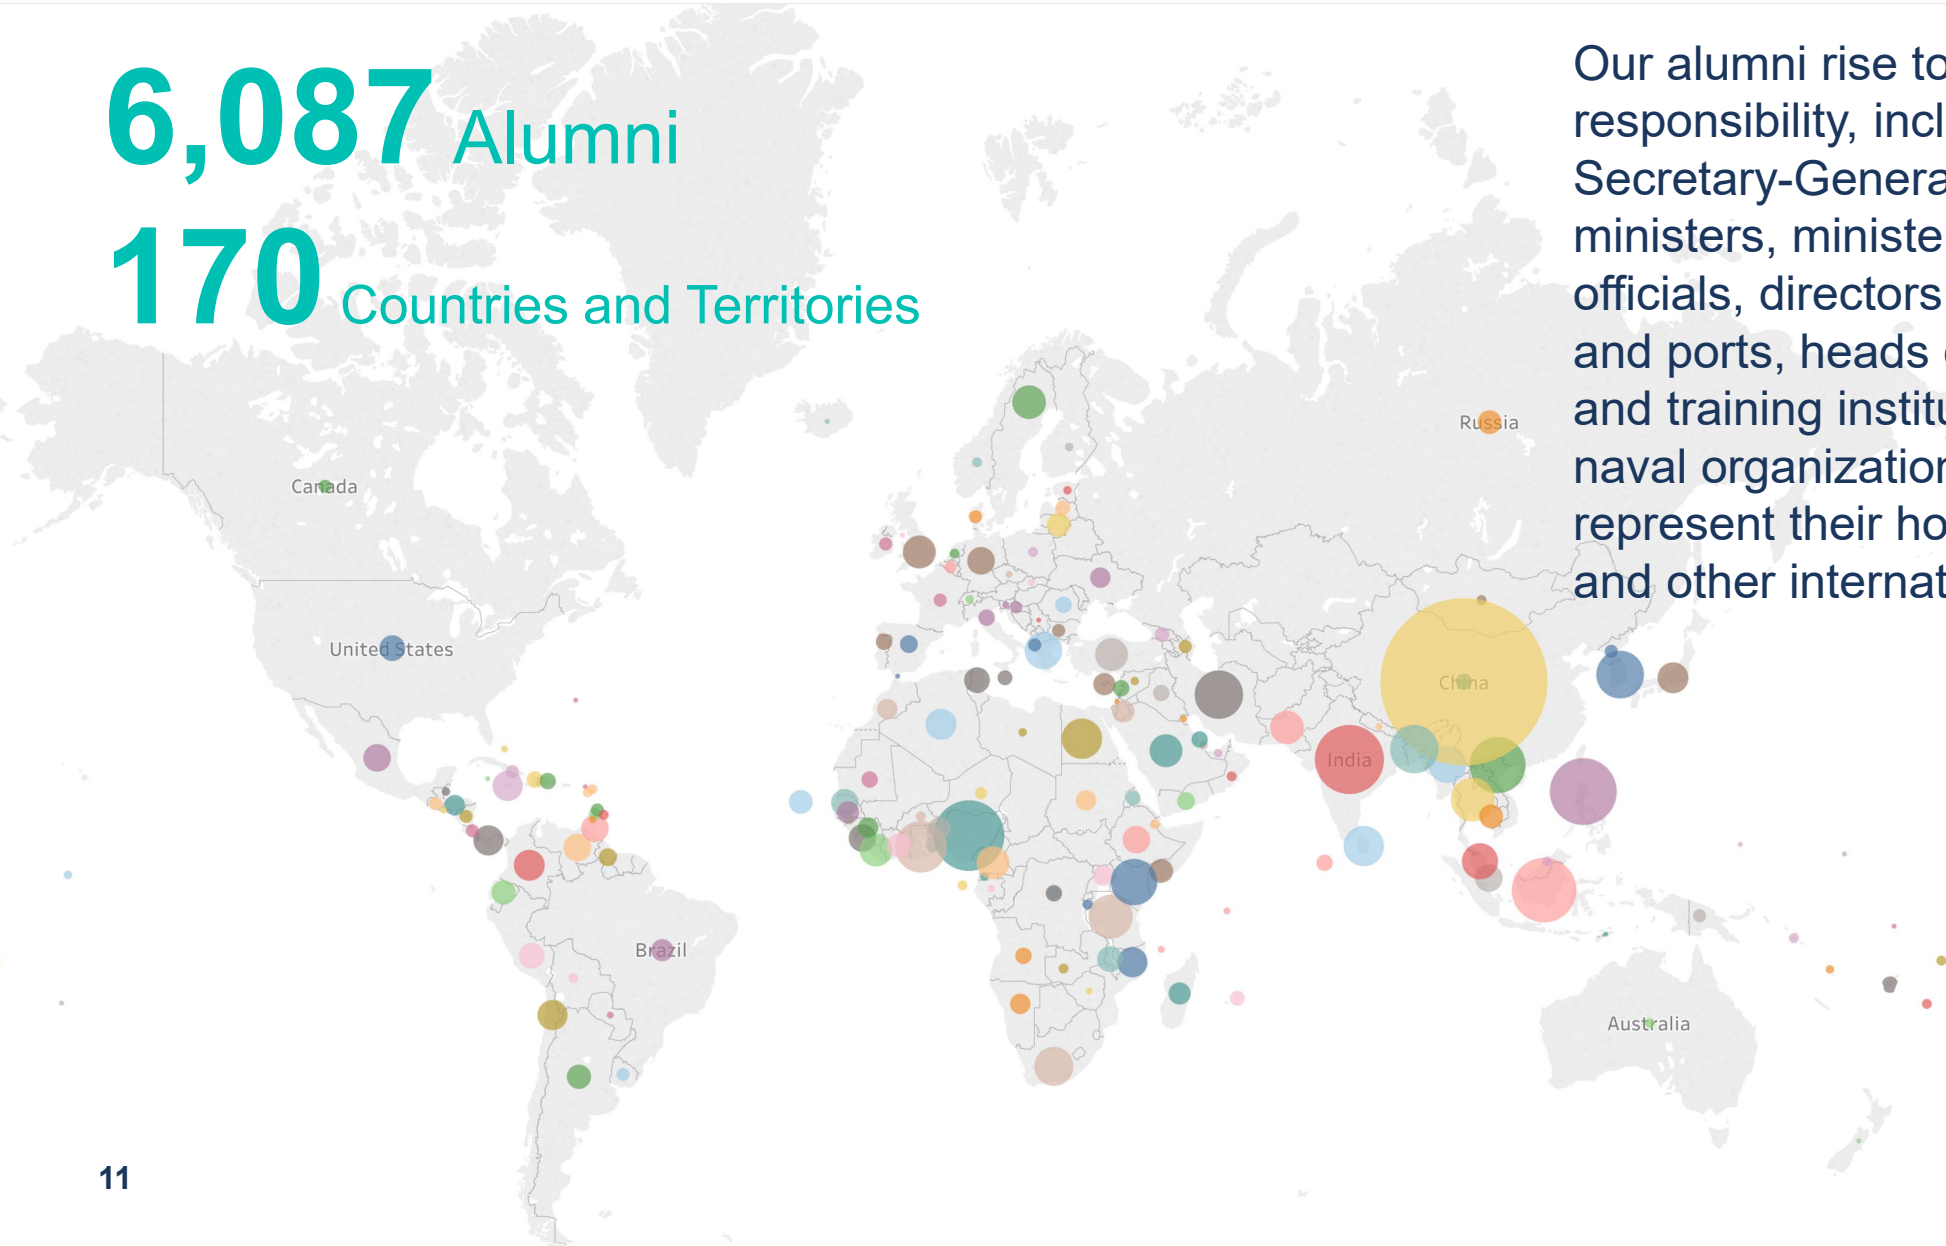

GLOBAL NETWORK, GLOBAL IMPACT

6,087 Alumni

170 Countries and Territories

Our alumni rise to positions of great responsibility, including the former Secretary-General of IMO, prime ministers, ministers, senior maritime officials, directors of shipping companies and ports, heads of maritime education and training institutions, and heads of naval organizations. Many of them represent their home countries at IMO and other international fora.

**WE REMAIN COMMITTED TO DELIVERING
HIGH-QUALITY EDUCATION AND TRAINING
TO OUR STUDENTS AND TO PROVIDING ANY
OTHER ASSISTANCE TO MEMBER STATES,
IMO, AND THE MARITIME COMMUNITY AT
LARGE**
