IMO SUPERVISOR'S AGREEMENT

As an IMO supervisor, by signing the last page of this agreement, I agree to the following:

Orientation: *I will ensure that the extern receives an orientation, including a discussion of office procedures and confidentiality, and an overview of the work and expectations of the extern.*

Supervision: *I have the authority, ability, and resources to ensure that the extern has a supervisor who will actively direct, monitor, and mentor him or her throughout the semester.*

Communication: *I will inform the extern of the system for assigning work projects and ensure he or she is given clear deadlines and will receive ongoing guidance for managing the workload.*

Skills Development: *The extern will be engaged in a substantial professional experience that includes multiple opportunities for performance, feedback, and self-evaluation.*

Assignments: *The extern will be assigned work that is similar to that of an entry-level professional staff in the discipline concerned, including exposure to a broad range of professional skills. Assignments may include drafting documents, researching and writing memoranda, attending conferences or negotiations and observing or participating in meetings. Administrative work will be kept to a minimum.*

Feedback: *The extern will be provided specific, individualized and timely feedback on their work.*

Observation: *The extern will have opportunities to observe IMO meetings, delegate/staff/strategy meetings, and other appropriate professional activities.*

Opportunities for Reflection: *The extern will meet with his/her supervisor, other members of the Division and staff to discuss his/her observations, experiences, and other issues relevant to the profession.*

Supervisor Accessibility: *The extern and IMO supervisor will meet at least weekly. In addition to any standing meetings, the supervisor will be able to meet with the student extern as needed to provide support and feedback on assignments.*

Forms: *I will comply with the school's evaluation requirements, including reviewing any student self-assessments, completing evaluations, and providing feedback to the extern in a timely manner.*

Logistics: *I will verify that the extern has a designated workspace and access to the tools (e.g., telephone, computer, library) and support reasonably necessary to complete assignments.*
