FORMAT FOR REPORTING TO THE ORGANIZATION USES OF A POWER RESERVE

1 The Marine Environment Protection Committee, at its eightieth session (3 to 7 July 2023), adopted by resolution MEPC.375(80), *Amendments to the 2021 Guidelines on the shaft/engine power limitation system to comply with the EEXI requirements and use of a power reserve*, requesting that on an annual basis by 30 June every year, the Administration should report to the Secretariat uses of a power reserve over a 12-month period from 1 January to 31 December for the preceding calendar year, with the information recorded in accordance with the relevant guidance in the Guidelines.

2 The Marine Environment Protection Committee, at its eighty-first session (18 to 22 March 2024), approved the *Format for reporting to the Organization uses of a power reserve*.

3 Administrations are invited to report uses of a power reserve, if any, by email to ghg@imo.org, using the format set out in the annex.
