

ICAO/IMO Side Event on International Transport

International Civil Aviation Organization (ICAO)

(1830 – 1915)

International Aviation and Climate Change

All participants to the Paris Climate Change Conference are invited to this ICAO Side Event. It will highlight ICAO's expectations for COP21 and will provide concrete insights into ICAO's successful strategy and initiatives to assist the development and implementation of Member States' Action Plans to reduce aviation CO₂ emissions, in cooperation with Governments, other UN bodies and the aviation industry.

- 18:30 - Opening video
- 18:40 - Introductory speech by Dr. Olumuyiwa Benard Aliu, President of the Council of ICAO
- 18:45 - Remarks by Mr. Alain Vidalies, Secretary of State for Transport, France

Followed by a panel discussion on ICAO's States' Action Plans and capacity-building, moderated by Ms. Jane Hupe, ICAO.

The members of the panel are:

- Ms. Althea Roper, Manager, Aviation Statistics, Airfares and Rates, Jamaica Civil Aviation Authority (JCAA)
- Ms. Mercy Awori, Representative of Kenya on the Council of ICAO
- Mr. Michael Gill, Executive Director Air Transport Action Group (ATAG)

International Maritime Organization (IMO)

(1915 – 2000)

IMO's technical cooperation and capacity building work to support the implementation of international regulations on energy efficiency for ships

Information will be provided on the technical cooperation and related activities to support the implementation of the energy efficiency regulations for international shipping that IMO has been undertaking, and will be doing in future, including:

- UNDP-GEF-IMO Global Maritime Energy Efficiency Partnerships (GloMEEP) project;
- Joint IMO-Singapore Future Ready Shipping conference held in October 2015;
- Potential development of a network of Maritime Technology Cooperation Centres (MTCCs);
- Deliverables and recommendations from an IMO Ad Hoc Expert Working Group on Facilitation of Transfer of Technology for Ships including the development of a model agreement on 'Technological Cooperation for the Implementation of the Regulations in Chapter 4 of MARPOL Annex VI'.

Speakers:

- Ms. Lolan Margaretha Eriksson, Ministerial Counsellor, Ministry of Transport and Communications, Finland
- Mr. ZHAO Yinglei, Deputy Director of Strategy Research and Development Center, China Maritime Safety Administration
- Mr. Marcel Alers, Head of Energy, Global Environmental Finance Unit, United Nations Development Programme (UNDP)
- Mr. Simon Bennett, Director, Policy and External Relations, International Chamber of Shipping
- Dr. Edmund Hughes, Head, Air Pollution and Energy Efficiency, IMO (Host)
