

- The Philippines is the world's top provider of seafarers, both officers and ratings, representing the largest nationality across all ranks and departments aboard merchant vessels globally.
- The Philippines is home to almost 900,000 certificated seafarers

## FOR A JUST AND EQUITABLE TRANSITION:

- ✓ Seafarers are at the center of shipping and maritime just transition
- ✓ Success is heavily dependent on people
- ✓ Capacity building is indispensable
- ✓ Balance between safety and environment protection
