REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

Issued monthly – Acts reported during January 2011

1 In pursuance of the Maritime Safety Committee's instruction to the Secretariat to issue monthly reports of all incidents of piracy¹ and armed robbery against ships² reported to the Organization and, in addition, to issue, on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents is increasing or decreasing and advising of any new feature or pattern of significance, the annex hereto provides, in the tabulated format agreed by the Committee, the summary of reports on incidents received between 31 December 2010 and 31 January 2011 including a distinction between acts of piracy and acts of armed robbery against ships (annex 1) and attempted attacks (annex 2). Further, and as instructed by the Committee (MSC 75/24, paragraph 18.41), the Secretariat has, since July 2002, started classifying separately any reported incidents of piracy and armed robbery **at sea** (international or territorial waters) *vis-à-vis* acts of armed robbery allegedly committed **in port areas**, as well as **attempted** acts of armed robbery.

¹ "Piracy" is defined in the 1982 United Nations Convention on the Law of the Sea (UNCLOS) (article 101) as follows:

"Piracy consists of any of the following acts:

- (a) any illegal acts of violence or detention, or any act of depredation, committed for private ends by the crew or the passengers of a private ship or a private aircraft, and directed:
 - (i) on the high seas, against another ship or aircraft, or against persons or property on board such ship or aircraft;
 - (ii) against a ship, aircraft, persons or property in a place outside the jurisdiction of any State;
- (b) any act of voluntary participation in the operation of a ship or of an aircraft with knowledge of facts making it a pirate ship or aircraft;
- (c) any act inciting or of intentionally facilitating an act described in sub-paragraph (a) or (b)."

² "Armed robbery against ships" is defined in the Code of Practice for the Investigation of the Crimes of Piracy and Armed Robbery Against Ships (resolution A.1025(26), Annex, paragraph 2.2), as follows:

"Armed robbery against ships" means any of the following acts:

- (a) any illegal act of violence or detention or any act of depredation, or threat thereof, other than an act of piracy, committed for private ends and directed against a ship or against persons or property on board such a ship, within a State's internal waters, archipelagic waters and territorial sea;
- (b) any act of inciting or of intentionally facilitating an act described above".

2 The total number of acts of piracy and armed robbery against ships so far reported to the Organization is 5,763, an increase of 53 since 31 December 2010.

3 Previous incidents reported to the Organization since the fifty-ninth session of the Committee have been circulated by various MSC circulars, those issued (on an annual, quarterly and monthly basis) during the previous twelve months and up to 31 January 2011 being, MSC.4/Circ.143, MSC.4/Circ.144, MSC.4/Circ.145, MSC.4/Circ.146, MSC.4/Circ.147, MSC.4/Circ.148, MSC.4/Circ.149, MSC.4/Circ.150, MSC.4/Circ.151, MSC.4/Circ.152, MSC.4/Circ.153, MSC.4/Circ.154, MSC.4/Circ.155, MSC.4/Circ.156, MSC.4/Circ.157, MSC.4/Circ.159, MSC.4/Circ.160, MSC.4/Circ.161, MSC.4/Circ.164 and MSC.4/Circ.165.
