The Security Council,

Recalling its previous resolutions concerning the situation in Somalia, especially resolutions 1814 (2008), 1816 (2008), 1838 (2008), 1844 (2008), 1846 (2008), 1851 (2008), 1897 (2009), 1918 (2010), 1950 (2010), 1976 (2011), 2015 (2011), 2020 (2011), 2077 (2012) 2125 (2013), and 2184 (2014) as well as the Statement of its President ([S/PRST/2010/16](#)) of 25 August 2010 and ([S/PRST/2012/24](#)) of 19 November 2012,

Welcoming the report of the Secretary-General ([S/2015/776](#)), as requested by resolution 2184 (2014), on the implementation of that resolution and on the situation with respect to piracy and armed robbery at sea off the coast of Somalia,

Reaffirming its respect for the sovereignty, territorial integrity, political independence, and unity of Somalia, including Somalia's sovereign rights in accordance with international law, with respect to offshore natural resources, including fisheries,

Noting that the joint counter-piracy efforts of States, regions, organizations, the maritime industry, the private sector, think tanks, and civil society have resulted in a steady decline in pirate attacks as well as hijackings since 2011, and *continuing* to be gravely concerned by the ongoing threat that piracy and armed robbery at sea poses to the prompt, safe, and effective delivery of humanitarian aid to Somalia and the region, to the safety of seafarers and other persons, to international navigation and the safety of commercial maritime routes, and to other ships, including fishing activities in conformity with international law,

Expressing concern about the reported involvement of children in piracy off the coast of Somalia, reported sexual exploitation of women and children in areas controlled by pirates, as well as their reported coercion to participate in activities that support piracy,

Further reaffirming that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 ("The Convention"), sets out the legal framework applicable to activities in the ocean, including countering piracy and armed robbery at sea,

Recognizing the need to investigate and prosecute not only suspects captured at sea, but also anyone who incites or intentionally facilitates piracy operations, including key figures of criminal networks involved in piracy who plan, organize, facilitate, or illicitly finance or profit from such attacks, and *reiterating* its concern over persons suspected of piracy having been released without facing justice, reaffirming that the failure to prosecute persons responsible for acts of piracy and armed robbery at sea off the coast of Somalia undermines anti-piracy efforts,

Noting with concern that the continuing limited capacity and domestic legislation to facilitate the custody and prosecution of suspected pirates after their capture has hindered more robust international action against pirates off the coast of Somalia, too often has led to pirates being released without facing justice, regardless of whether there is sufficient evidence to support prosecution, and reiterating that, consistent with the provisions of The Convention concerning the repression of piracy, the 1988 Convention for the Suppression of Unlawful Acts Against the Safety of Maritime Navigation (“SUA Convention”) provides for parties to create criminal offences, establish jurisdiction, and accept delivery of persons responsible for, or suspected of seizing, or exercising control over, a ship by force or threat thereof, or any other form of intimidation,

Underlining the primary responsibility of the Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia, noting the several requests from Somali authorities for international assistance to counter piracy off its coast, including the letter of 4 November 2014, from the Permanent Representative of Somalia to the United Nations *expressing* the appreciation of Somali authorities to the Security Council for its assistance, expressing their willingness to consider working with other States and regional organizations to combat piracy and armed robbery at sea off the coast of Somalia, and *requesting* that the provisions of resolution 2125 (2013) be renewed for an additional twelve months,

Welcoming the participation of the Federal Government of Somalia and regional partners in the 18th plenary session of the Contact Group on Piracy off the Coast of Somalia (CGPCS), hosted by the European Union (EU) in New York City, July 2015,

Recognizing the work of the CGPCS and the Law Enforcement Task Force to facilitate the prosecution of suspected pirates, and of the Working Group on Capacity Building of the CGPCS to coordinate judicial, penal, and maritime capacity-building efforts to enable regional states to better tackle piracy,

Welcoming the financing provided by the Trust Fund to Support Initiatives of States Combating Piracy off the Coast of Somalia (the Trust Fund) to strengthen regional ability to prosecute suspected pirates and imprison those convicted in accordance with applicable international human rights law, *noting* with appreciation the assistance provided by the United Nations Office of Drugs and Crime (UNODC) Maritime Crime Programme, and being determined to continue efforts to ensure that pirates are held accountable,

Commending the efforts of the EU Naval Force (EUNAVFOR) Operation ATALANTA, North Atlantic Treaty Organization Operation Ocean Shield, Combined Maritime Forces’ Combined Task Force 151, the counter-piracy activities of the African Union onshore in Somalia and the naval activities of the Southern Africa Development Community, and other States acting in a national capacity in

cooperation with Somali authorities and each other to suppress piracy and to protect ships transiting through the waters off the coast of Somalia, and *welcoming* the Shared Awareness and Deconfliction Initiative (SHADE) and the efforts of individual countries, including China, India, the Islamic Republic of Iran, Japan, Republic of Korea, and the Russian Federation, which have deployed naval counter-piracy missions in the region,

Noting the efforts of flag States for taking measures to permit vessels sailing under their flag transiting the High Risk Area (HRA) to embark vessel protection detachments and privately contracted armed security personnel (PCASP), and to allow charters that favour arrangements that make use of such measures, while urging States to regulate such activities in accordance with applicable international law,

Noting that HRA boundaries are set and defined by the insurance and maritime industry, and have been redefined in October 2015,

Welcoming the capacity-building efforts in the region made by the International Maritime Organization (IMO) funded Djibouti Code of Conduct, the Trust Fund and the European Union's activities under the EU Mission on Regional Maritime Capacity in the Horn of Africa (EUCAP Nestor), which is working with the Federal Government of Somalia to strengthen its criminal justice system, and *recognizing* the need for all engaged international and regional organizations to coordinate and cooperate fully,

Supporting the development of a coastal police force, *noting* with appreciation the efforts made by the IMO and the shipping industry to develop and update guidance, best management practices, and recommendations to assist ships to prevent and suppress piracy attacks off the coast of Somalia, including in the Gulf of Aden, and in relevant parts of the Indian Ocean that are still within the High Risk Area and *recognizing* the work of the IMO and the CGPCS in this regard, *noting* the efforts of the International Organization for Standardization, which has developed industry standards of training and certification for Private Maritime Security Companies when providing PCASP on board ships in high-risk areas, and further welcoming the European Union's EUCAP Nestor, which is working to develop the maritime security capacities of Somalia,

Underlining the importance of continuing to enhance the collection, preservation, and transmission to competent authorities of evidence of acts of piracy and armed robbery at sea off the coast of Somalia, and *welcoming* the on-going work of the IMO, INTERPOL, and industry groups to develop guidance to seafarers on preservation of crime scenes following acts of piracy, and *noting* the importance of enabling seafarers to give evidence in criminal proceedings to prosecute acts of piracy,

Further recognizing that pirate networks continue to rely on kidnapping and hostage-taking to help generate funding to purchase weapons, gain recruits, and continue their operational activities, thereby jeopardizing the safety and security of civilians and restricting the flow of commerce, and *welcoming* international efforts to coordinate the work of investigators and prosecutors, inter alia, through the Law Enforcement Task Force and collect and share information to disrupt the pirate enterprise, as exemplified by INTERPOL's Global Database on Maritime Piracy, and taking note of the ongoing efforts of the Regional Fusion and Law Enforcement

Centre for Safety and Security at Sea, hosted by Seychelles to combat piracy and transnational organized crime,

Reaffirming international condemnation of acts of kidnapping and hostage-taking, including offences contained within the International Convention against the Taking of Hostages, strongly *condemning* the continuing practice of hostage-taking by pirates operating off the coast of Somalia, expressing serious concern at the inhumane conditions hostages face in captivity, *recognizing* the adverse impact on their families, *calling* for the immediate release of all hostages, and *noting* the importance of cooperation between Member States on the issue of hostage-taking and the prosecution of suspected pirates for taking hostages,

Commending Kenya, Mauritius, Tanzania, and Seychelles, for their efforts to prosecute suspected pirates in their national courts, and *noting* with appreciation the assistance provided by the UNODC Maritime Crime Programme, the Trust Fund, and other international organizations and donors, in coordination with the CGPCS, to support Kenya, Mauritius, Seychelles, Tanzania, Somalia, and other States in the region with their efforts to prosecute, or incarcerate in a third State after prosecution elsewhere, pirates, including facilitators and financiers ashore, consistent with applicable international human rights law, and *emphasizing* the need for States and international organizations to further enhance international efforts in this regard,

Welcoming the readiness of the national and regional administrations of Somalia to cooperate with each other and with States who have prosecuted suspected pirates with a view to enabling convicted pirates to be repatriated back to Somalia under suitable prisoner transfer arrangements, consistent with applicable international law, including international human rights law, and *acknowledging* the return from Seychelles to Somalia of convicted prisoners willing and eligible to serve their sentences in Somalia,

Welcoming the establishment of the Maritime Security Coordination Committee (MSCC), as an important mechanism of information sharing and encourages it to begin work as soon as possible,

Expressing serious concern over recent reports of illegal fishing in Somalia's Exclusive Economic Zone (EEZ), and *noting* the complex relationship between illegal fishing and piracy,

Recognizing the ongoing efforts of the Federal Government of Somalia towards the development of a legal regime for the distribution of fishing licenses, and encouraging further efforts in this regard, with the support of the international community,

Recalling the reports of the Secretary General which illustrate the seriousness of piracy and armed robbery at sea off the coast of Somalia and provide useful guidance for the investigation and prosecution of pirates, including on specialized anti-piracy courts,

Stressing the need for States to consider possible methods to assist the seafarers who are victims of pirates, and welcoming in this regard the efforts of the "Hostage Support Programme" and the Piracy Survivor Family Fund launched at the 2014 CGPCS to provide support to hostages during their release and return home, as well as to their families throughout the hostage situation,

Recognizing the progress made by the CGPCS and UNODC in the use of public information tools to raise awareness of the dangers of piracy and highlight the best practices to eradicate this criminal phenomenon,

Further noting with appreciation the on-going efforts by UNODC to support efforts to enhance Somalia's maritime security and law enforcement capacities, and also *noting* efforts by UNODC and UNDP and the funding provided by the Trust Fund, the European Union, the United Kingdom, the United States, and other donors to develop regional judicial and law enforcement capacity to investigate, arrest, and prosecute suspected pirates and to incarcerate convicted pirates consistent with applicable international human rights law,

Bearing in mind the Djibouti Code of Conduct concerning the Repression of Piracy and Armed Robbery against Ships in the Western Indian Ocean and the Gulf of Aden, *noting* the operations of information-sharing centres in Yemen, Kenya, and Tanzania, *recognizing* the efforts of signatory States to develop the appropriate regulatory and legislative frameworks to combat piracy, enhance their capacity to patrol the waters of the region, interdict suspect vessels, and prosecute suspected pirates,

Emphasizing that peace and stability within Somalia, the strengthening of State institutions, economic and social development, and respect for human rights and the rule of law are necessary to create the conditions for a durable eradication of piracy and armed robbery at sea off the coast of Somalia, and further *emphasizing* that Somalia's long-term security rests with the effective development by Somali authorities of the Somali National Security Forces,

Welcoming the Padang Communiqué and Maritime Cooperation Declaration adopted by the Indian Ocean Rim Association (IORA) at its 15th Council of Ministers meeting, which call upon members to support and strengthen cooperation to address maritime challenges including piracy and illegal trafficking of drugs, and which note Somalia's impending membership in the IORA before its next Council of Ministers meeting, thereby strengthening Somalia's cooperation with its neighbours on maritime safety and security,

Recognizing that the ongoing instability in Somalia and the acts of piracy and armed robbery at sea off its coast are inextricably linked, and stressing the need to continue the comprehensive response by the international community to repress piracy and armed robbery at sea and tackle its underlying causes, and further *recognizing* the need to undertake long-term and sustainable efforts to repress piracy and the need to create adequate economic opportunities for the citizens of Somalia,
