

Activating the IMDG Code for Windows (V13), 2016

You will need to activate this CD by using the Advance Purchase Code displayed on your order confirmation email or receipt. It will look like this 'AdvPurchaseCode - D02001001192ETrkF'. If you purchased it through a <u>distributor</u> or bookseller, please contact them for it. If you bought the version for Electronic download, please follow the <u>link</u>.

Please note that the CD will be linked to a specific computer and a single-user licence can only be used on one computer, please insert the CD into the appropriate computer and install the software. Once installed, the wel<u>come</u> screen will be displayed. You can also reach

this screen by clicking on the desktop icon

Now follow the Activate instructions as shown below.
