The heading is "Welcome to IMOactivate.com" followed by "IAMSAR (2010)". Below this, it says "You can download the full installation files for IAMSAR (2010) from this page." and "After the download is complete simply open (or double-click) the downloaded file and you will be guided through the installation process." It also states "The download is free of charge, but after installation the product requires a purchased Activation Code to unlock the full features of the product." At the bottom, there is an image of the IAMSAR (2010) manual and a blue button that says "Click here to download IAMSAR (2010)".</p>																

You must now activate your product. Click on 'Get Activation Code'.

(To get to this screen you must click on 'Demo Mode – Activate Now' from the opening demo page.)

Enter the required details including the Advance Purchase Code (supplied by your distributor or on your order confirmation as above).

Click on 'Get Activation Code' to receive the code.

Once the website has generated your Activation Code please add it to the Activation Code box, click on 'Activate' and you will have access to the Download.
