MANUAL ON CHEMICAL POLLUTION

SECTION 3 – LEGAL AND ADMINISTRATIVE ASPECTS OF HNS INCIDENTS

2015 EDITION

This publication aims to assist Governments in the implementation of the *Protocol on Preparedness, Response and Co-operation to Pollution Incidents by Hazardous and Noxious Substances, 2000* (OPRC-HNS Protocol 2000), describing the obligations imposed under the protocol and the means of meeting these obligations.

The manual aims to provide the reader, in particular on-scene commanders, response personnel, government entities and others involved in the management and/or response to pollution incidents involving HNS, with a description of the various interests involved in an HNS incident and its aftermath.
