MANUAL ON **OIL POLLUTION** SECTION II - CONTINGENCY PLANNING 2018 EDITION

Available online
as a download

This publication aims to assist governments in establishing a national oil spill response system and in developing or revising their national oil spill contingency plans. The manual also includes information related to contingency planning for offshore installations, sea ports and oil handling facilities.

Product Code IB560E
ISBN 978-92-801-1666-3

Available in English only.
