

Activating the Electronic IMO-Vega Database for Download (V.25)

To activate this electronic download you will need to use the Advance Purchase Code displayed on your order confirmation email or receipt. It will look like this 'AdvPurchaseCode - D02400011922KhWX'. If you purchased it through a Distributor or reseller, please contact them for it.

Please note that the download will be linked to a specific computer and a single-user licence can only be used on one computer. Download The IMO-Vega Database, selecting the Run button, and follow the installation instructions.
