GUIDE TO MARITIME SECURITY AND THE ISPS CODE

2012 EDITION

This User Guide has been developed to consolidate existing IMO maritime security-related material into an easily read companion guide to SOLAS chapter XI-2 and the ISPS Code in order to assist States in promoting maritime security through development of the requisite legal framework, associated administrative practices, procedures and the necessary material, technical and human resources.

It is intended both to assist SOLAS Contracting Governments in the implementation, verification, compliance with, and enforcement of, the provisions of SOLAS chapter XI-2 and the ISPS Code. It should also serve as an aid and reference for those engaged in delivering capacity-building activities in the field of maritime security.

Sales number: IA116E
ISBN: 978-92-801-1544-4

Also available in French and Spanish
