CSS CODE

2011 EDITION

This publication presents the CSS Code, as amended. The most recent amendments, approved at the eighty-seventh session of the Maritime Safety Committee (12 to 21 May 2010), include a new annex 14 on Guidance on providing safe working conditions for securing of containers on deck.

Also included are:

- Revised Guidelines for the preparation of the Cargo Securing Manual, approved in May 2010.
- Elements to be taken into account when considering the safe stowage and securing of cargo units and vehicles in ships, as amended in 2010.
- Guidelines for securing arrangements for the transport of road vehicles on ro-ro ships, as amended in 2010.
