Available online  
as a download

The IMSBC Code, adopted on 4 December 2008 by resolution MSC.268(85), entered into force on 1 January 2011, from which date it was made mandatory under the provisions of the SOLAS Convention. The present edition incorporates amendment 05-19, which may be applied from **1 January 2020** on a voluntary basis, anticipating its envisaged official entry into force on **1 January 2021**.

This publication also presents additional information that supplements the IMSBC Code, such as the Code of Practice for the Safe Loading and Unloading of Bulk Carriers (BLU Code, including BLU Manual) and Recommendations on the safe use of pesticides in ships applicable to the fumigation of cargo holds. The International Maritime Solid Bulk Cargoes Code and supplement is commended to Administrations, shipowners, shippers and masters and all others concerned with the standards to be applied in the safe stowage and shipment of solid bulk cargoes, excluding grain.
