Contact Us

Welcome to The IMO Bookshelf, providing access to essential IMO publications (product purchase required, please contact one of our [worldwide distributors](#))

The browser-based hybrid software means that there is nothing to install. After publications are saved to the browser cache they can be accessed almost instantly both online and offline. Free trials are available on request.

Click [here](#) for more information.

Use the login panel above to continue.

For further assistance please contact [sales@imo.org](mailto:sales@imo.org)
